# Villiers School: Admission Policy

## **1. Introduction**

1.1 This document (this “Admission Policy”) sets out the policy for admission of applicants as students to the recognised secondary school, Villiers School, Limerick (“Villiers School”). This Admission Policy constitutes Villiers School’s admission policy for the purposes of the Education Act 1998 as amended, including by the Education (Admission to Schools) Act 2018 (together, the “Education Act”).

1.2 Words and phrases used in this Admission Policy and defined in section 60 of the Education Act have the same meaning in this Admission Policy as given in such section 60. Those words and phrases include (but are not limited to) recognised, admission, oversubscription, school year and student.

1.3 This Admission Policy has been drawn up and adopted in accordance with and contains requirements specified under the Education Act.

1.4 This Admission Policy may from time to time be changed in accordance with the Education Act.

1.5 This Admission Policy came into force on 8<sup>th</sup> October 2020.

## 2. Characteristic Spirit and General Objectives of Villiers School.

2.1 Villiers School was founded according to the will of Mrs Hannah Villiers in 1821, to serve the Church of Ireland and Presbyterian Churches. Villiers School scheme was subsequently amended to include the Methodist Church. Villiers School seeks to provide education in an environment which promotes a Protestant ethos, however the school welcomes pupils from all religious traditions and none.

2.2 Villiers School is a co-educational day and boarding school with a Protestant ethos under the trusteeship of the Church of Ireland, Presbyterian and Methodist Churches in Limerick. The Board of Governors for Villiers School holds patron and trustee responsibility.

2.3 “Protestant ethos” in the context of Villiers School means the ethos and characteristic spirit of the Church of Ireland and Presbyterian and Methodist Churches in Ireland.

2. Villiers School was established on Henry Street, Limerick in 1821. It has been co-educational since its foundation. Villiers School relocated to its present site on the North Circular Road, Limerick, Limerick, in 1954. It is a day and boarding school established to provide a broad-based education for students in its care.

2.5 While founded to serve the Protestant communities, Villiers School welcomes students of all faiths and none, into an inclusive and caring environment. Villiers School celebrates the diverse talents of all its students. Villiers School aims to develop academic curiosity and the pursuit of excellence, confidence and independent learning. A wide range of curricular and extra-curricular opportunities is provided at Villiers School to facilitate a broad inclusive education. The Protestant ethos of Villiers School emphasises tolerance of and respect for others; it encourages social justice and responsibility.

2.6 Villiers School aims to develop a strong moral and ethical code based on Christian principles. Regular Assemblies and special services are an integral part of the life of Villiers School and enable particular celebration of Villiers School ethos. The Religious Education curriculum seeks to promote understanding and tolerance of the sincerely-held beliefs of those of all traditions; it is not a faith-formation programme. Students may thus reach a position where they may make an informed choice about personal faith in their lives.

2.7 In this Admission Policy, “Protestant” means a church within the reformed tradition of Christianity.

13.1 All applications for admission received after the closing date set out in the annual Admission Notice for the relevant school year will be considered and decided upon in accordance with this Admission Policy, the Education Act and any regulations made under the Education Act.

13.2 Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which Villiers School received the application. Late applicants will be offered a place if there is a place available in the relevant class. In the event that there is no place available, the name of the applicant will be added to the end of the waiting list in respect of the relevant school year.

## **14. Procedures for admission of students to certain year groups and during the school year**

14.1 The procedures of Villiers School in relation to the admission of students who are not already admitted to Villiers School, after the commencement of the school year in which admission is sought, are as follows. Should Villiers School be over-subscribed (within the meaning of section 60 of the Education Act), applications that remain on the waiting list for the school year may be accepted after the commencement of the school year only when there is a student withdrawal from Villiers School in the relevant year or class. The admission of a day pupil for a place will only be considered where a day place is available and a boarding place where a boarding place is available.

In the case of such applications, Villiers School must be satisfied with the reasons for transfer and consequently will require that, in addition to the procedures stated above, the application be accompanied by (1) copies of previous school reports, (2) name, postal address and telephone number of the Principal of the applicant's present school who may be asked to supply a reference (3) Other relevant information as requested by Villiers School.

### **14.2 IBDP admissions procedures**

14.2.1 The IB Mission statement echoes and reflects the holistic yet caring focus that already exists in Villiers School. The IBDP develops Villiers' commitment to prepare students to face the challenges ahead with knowledge and integrity. Both Villiers and the IB strive to equip and prepare young people to be active, compassionate and lifelong learners in an international and multicultural community.

Admission to the IBDP will be determined by the IBDP team based on information obtained with respect to:

- The potential of the applicant to benefit from the programme
- The capacity of the programme to meet the educational needs of the applicant
- The results of admissions tests, where applicable, including a written language test as well as previous results from any external written assessment
- The availability of places

#### 14.2.2 IBDP (Year 1)

Admission to Year 1 normally follows the completion of a pre-IB year. Students who have successfully completed Independent Transition Year (ITY) in preparation for the IBDP (or another pre-IBDP equivalent) and who have attained the minimum standards, will be offered a place in the IBDP. Students must demonstrate the skills and core competencies outlined above before they will be offered a place in the IBDP.

Parents of prospective IBDP candidates should contact the Admissions Office for information and application forms on how to begin the admission process to this programme.

#### 14.2.3 IBDP (Year 2)

Admission to IBDP 2 may be permitted in exceptional circumstances as follows:

- The student has successfully completed Year 1 of the IBDP in an authorized school
- The student has:
  - Attained a minimum of 29 points
  - Attained a minimum of a Grade C in both EE and Theory of Knowledge
  - Completed required Creativity Activity Service (CAS) hours (certification needed)
  - Provide an official letter of reference from the Head Teacher in the students' most recent school
  - Provide a certificate of results from current school
  - Complete an interview with the Headmistress and/ or IBDP Coordinator

Students for whom English is a second language and who wish to enroll in the IBDP must demonstrate at least a level B2 (CEFR) before they will be considered for admission. For this reason, these students will be expected to take an admissions examination in English to determine whether this course will be of benefit to them.

All students will be interviewed by the Headmistress and/ or the DP Coordinator to determine their suitability for the course and to discuss the subject options available to them. Students may be asked to demonstrate core competencies for individual subjects prior to admission to the IBDP.

In the event of oversubscription, a waiting list of suitable and qualified candidates will be drawn up. Qualified applicants will be admitted on a "first come/first served" basis as space becomes available, if and when the individual needs of each candidate can be met.

Although the IBDP is one that everybody can benefit from, it is not necessarily one in which all students automatically achieve success. In some instances, a student may be advised to withdraw from the Diploma Programme. The decision to do so is made in conjunction with a student's parents, teachers,

head of languages, school guidance counsellor and the IBDP Coordinator. The School reserves the right to deny admission or re-enrolment to any applicant if, in its opinion, there were reasons to believe that re-admission or re-enrolment would not be in the best interest of the applicant or the School.

## **15. Fees and charges**

15.1 Villiers School charges fees and charges as a condition of attendance for a student and his or her participation in certain activities and availing of certain services. Fees and charges are payable as detailed in the Fees Terms and Conditions Statement published annually. In addition, Villiers School requires a deposit in advance of allocating a place and an advance full or part payment of the fees for admission beyond First Year where a family is sending a student to Villiers School for the first time. Payment of the required deposit and the advance payment will be a condition of allocation of a place in Villiers School.

15.2 The fees and charges outlined at 15.1 above are in accordance with section 6 of the Education Act.
